

COMPANY PROFILE 2026

Keep your fleet and power **running.** Every shift.

Spare parts, rebuilds, fleet parts programmes and field service for Tanzania's mining machines and generators.

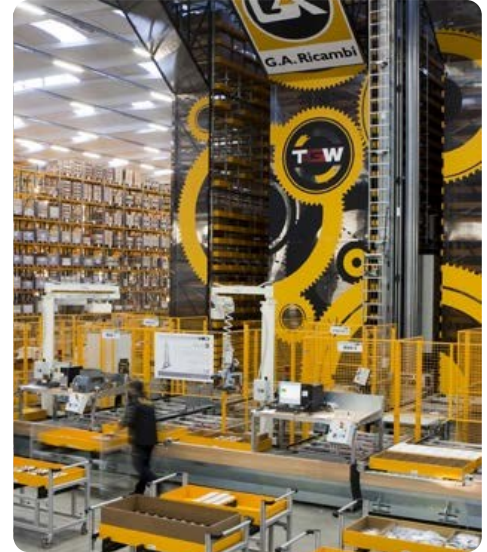

WHO WE ARE

Italian engineering, Tanzanian support

GA Mining Limited is the official Tanzanian representative of G.A. Ricambi S.p.A., one of Europe's leading suppliers of aftermarket parts for earthmoving machines and power-generation engines.

We are a registered Tanzanian company based in Dar es Salaam. We quote, supply and support locally, so mines, contractors and power operators get Italian-quality parts at a lower cost per operating hour, with a team close to their sites.

Founded in 1985 in Modena's Motor Valley, G.A. Ricambi holds more than 300,000 part numbers in stock in a 20,000 m² automated warehouse and serves customers in more than 20 countries.

MISSION

To keep Tanzania's machines and power running by supplying quality parts at a lower cost per hour, planning supply before breakdowns, and standing behind every part with local support.

CERTIFIED QUALITY

- ISO 9001 certified quality system
- Authorised Economic Operator (AEO-F)
- Every part quality-tested in Italy before shipping
- Interchangeable with genuine parts, clearly labelled as aftermarket

WHAT WE SUPPLY

Every system. One supplier.

Engine

Liners, pistons, heads, crankshafts, turbochargers, injectors, gasket kits

Transmission

Gears, shafts, final drives, converter parts, bearings, duo-cone seals

Undercarriage

Track chains, rollers, idlers, sprockets, shoes, equalizer bars

Ground engaging tools

Tips, adapters, cutting edges, end bits, ripper parts, buckets

Linkage

Pins, bushings, links and rods for buckets and blades

Hydraulics

Seal kits, hoses, pumps, cylinders, suspension parts

Electrical

Alternators, starters, sensors, lamps, cab parts

Filters & tyres

Donaldson®, Fleetguard® and Michelin® authorised dealer lines

Machines we cover

476 machine models from 13 brands, from excavators and dozers to haul trucks, loaders, graders and drill rigs.

Caterpillar®

Komatsu®

Liebherr®

Volvo®

Hitachi®

Atlas Copco®

Sandvik®

Develon®

Engines we cover

305 engine models from 18 makes, including CAT, Cummins, Wärtsilä, MAN, MTU, Perkins and Deutz.

GA PRODUCTION

Engineered parts for critical wear points

When OEM supply is discontinued, slow or costly, G.A. Ricambi reverse-engineers and produces the part itself, tested and covered by the 12-month warranty. Examples: Komatsu GD805A–GD825A front axle parts, CAT 988–993 GET, Liebherr PR 776 equalizer bars.

SOLUTIONS

From one order to planned supply

FLAGSHIP • RECURRING

Fleet Parts Programme

Scheduled supply for a named fleet, planned from machine hours, with prices locked for 12 months and two free undercarriage inspections a year.

1 • Consumables Supply

Filters and service kits on each machine's interval

2 • Wear Parts Plan

Undercarriage, GET and engine wear parts timed to hours

3 • Critical Spares Kit

Must-have parts on site, restocked after use

Ready-made bundles

TRIAL ORDER
Service Kits

All filters, seals, gaskets and belts for one service interval

TRACKED MACHINES
**Undercarriage
Renewal Pack**

Free inspection plus a complete set, priced per machine

LOADING FLEETS
GET Wear Pack

Teeth, adapters, edges and end bits with quarterly top-ups

PLANNED OVERHAUL
Engine Overhaul Kit

Everything for the overhaul, with optional G.A. rebuild

ENERGY
**Generator Care
Package**

Service kits by running hours and an annual health check

NEW OPERATIONS
**New Mine Starter
Pack**

Commissioning spares and an initial holding for a new fleet

Field service

Scheduled servicing, breakdown repairs and overhauls for mining trucks and generators, on your site, booked online.

Freight, customs clearance and delivery from Italy to your site.

EM

Eva Mallya**CUSTOMER RELATIONSHIP MANAGER**

Your first contact for quotes, follow-up and after-sales support.

HOW TO ORDER

Four steps from enquiry to site

1

Send your request

Machine model and serial number, part numbers or a photo, by WhatsApp, email or the website.

2

Receive a quote

Price, delivery time and warranty in one clear quotation.

3

Confirm the order

We place it with G.A. Ricambi and track it from Italy.

4

Delivery and support

Customs, delivery to site and local warranty handling.

Free undercarriage inspection

We measure wear on site and tell you how many hours each component has left, and what replacing it will cost.

**Talk to us about
your fleet.**
